

COMPLETE COUNCIL AWARD

As you know our membership program is built around Star Council Development. The reason is to have complete councils involved in Church, Community, Council, Youth, Administrative, Insurance, and New Members.

This is the State's multi-year program to go with the STAR COUNCIL PROGRAM. This program will award councils that participate in the State programs. The award is very fair and can be earned by all councils. The first year the council receives the award they receive a nice plaque. Each year after that they earn the award, they will receive a label showing the year it was achieved.
