Maximum points for the page are infinite

Data Suggestions and Restrictions:

Photo = 2 pts + 1 point bonus point for a caption

Newspaper articles, photos = 5 points

It is good to have as much documentation as possible on council functions. Remember, **one photo per function gets points**, but multiple photos should be included, as appropriate, for good council history.

Newspaper articles with specific mention of the Knights of Columbus get credit in each publication, and each issue of the publication. This allows for two different newspapers, in different daily or weekly issues. Bowling scores, paid ads, wedding reception announcements at a KC Hall do not count for points but should be included for council history

Church bulletins, obituaries, Badger Bulletin articles, Columbia Magazine etc receive the same points as newspapers and follow the same rules. Paid KC ads in church bulletins count once per year.

Reoccurring mentions of the KCs in a church bulletin do not count, for example, the listing of the GK or agent in the directory on the front page.

Remember, the goal is HISTORY, not points.

PAGE "O" STATE PROGRAM

Maximum Points - 210

Summary page is of the state activities in which the council participated.

HISTORY BOOK PREPARATION AWARD

The History Book Preparation Award is a separate award that is based on the design, style, and originality of the History Book. To be seriously considered for this award, thought must be given as to the appearance and the style of its presentation.

Remember, this is the History of your council. Future prospective members and Knights will view your History Book and make judgments accordingly. If the competition is important to you, points accumulation must be considered, but remember, you are also keeping a History of your council activities.

- If an event occurs several times during the year, even though it gets credit only once on the activity pages, it should be included for each month it occurred.

- Although photos and articles only receive credit once, there may be additional photos worthy of being included for a particular event regardless of adding points.

-PLEASE NOTE THAT PHOTOS SHOULD BE PLACED IN SECTION N. WHILE FOR ORGANIZATION PURPOSES YOU MAY WISH TO SPREAD THE PICTURES THROUGHOUT THE BOOK, FOR JUDGING, IT IS EASIER TO GRADE WHEN THEY ARE IN SECTION N. IF YOU WISH TO MAKE SURE ALL PICTURES ARE COUNTED, PLACE THEM IN SECTION N.
